Detailed information
zeiss.com/otus-ml

“The unparalleled excellence of the ZEISS Otus ML lens makes it nearly impossible to find flaws in the images it captures. Its remarkable sharpness and true-to-life colors are exactly what I need as a professional photographer – to preserve the essence of moments, people, and things as they truly are.”

Mo Xie, professional photographer and ZEISS ambassador

Wolf-Peter Steinheisser, ZEISS Otus ML 1.4/50
